THE EXPERIENCE 2022 JESUS: THE EXCEPTIONAL ONE

The Experience' has become more than a gospel concert. It is a platform for God's people to gather under the open night sky or online across the world, to raise praise and prayers to God till the kingdoms of this world become the kingdoms of our God and King. This is particularly important as our nation, Nigeria, prepares for very crucial elections critical to the future of our beloved country.

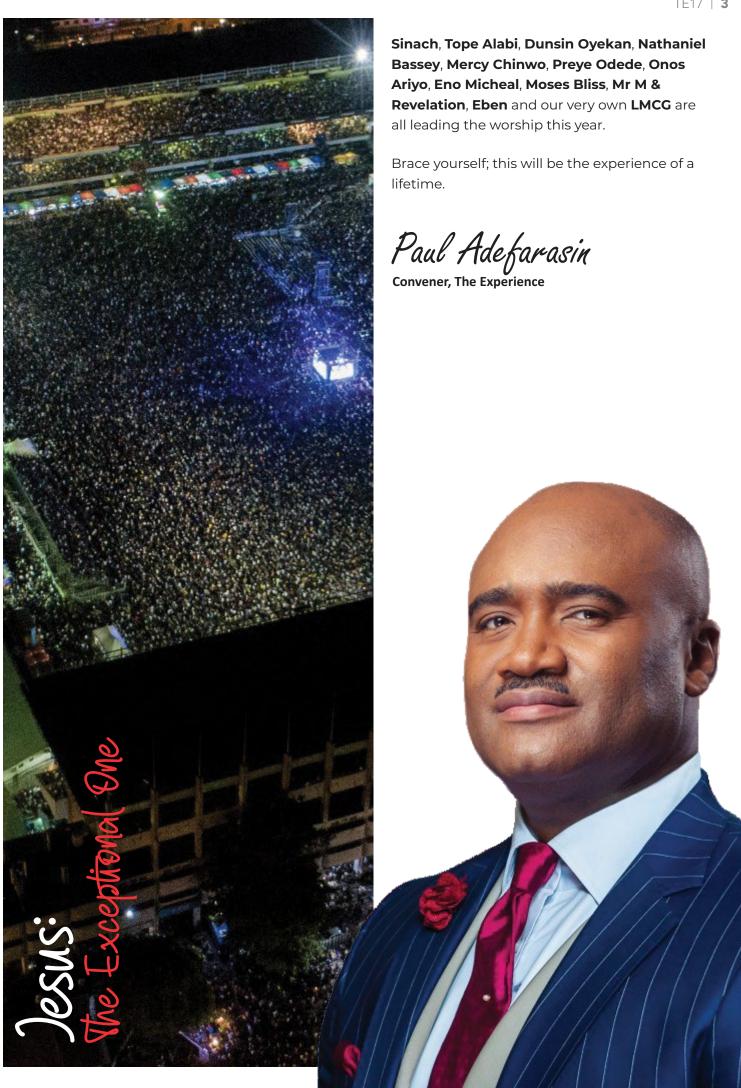

Tafawa Balewa Square, the traditional home to 'The Experience,' is where it all began for Nigeria – It is where Nigeria celebrated her first independence on October 1, 1960. The location is replete with history and surrounded by landmark buildings/parastatals that formed the foundation of our nation.

This year's edition of 'The Experience' is unique and significant because it is the first time back at the Tafawa Balewa Square after a two-year hiatus due to the pandemic. It will be a time of immense gratitude to a mighty and loving

Father who continues to deliver us as a people from all evil and empower us to live a life furnished by the grace of God. More than ever, as we pierce through the gloom and the doubts of these times with our songs of undiluted praise, heart-felt worship, and effective and fervent prayers, we will experience God in ways that we never imagined.

Therefore, on this night, with over half a million people gathered to honour Christ our King, we will rise as a tenacious force from His Presence and go forth to reign and make a difference in our nation and the world.

Get ready to be immersed in God as the finest and very best of worship leaders lead us into realms of exuberant praise and sublime worship at this year's event. Internationally renown gospel artists like **Travis Greene**, **Donnie McClurkin**, **Chandler Moore**, **Phil Thompson**, **Tim Hughes**, **Muyiwa Olanrewaju**,

THE EXPERIENCE 2019, 2020 & 2021

o20 was an unprecedented year. A year when the whole of creation halted and we could hear the earth's pulse. The world had quickly become a global village through technology and though many parts of the world were still in lock down, our faith in God and our desire to worship Him could not be stopped. In the midst of the uncertainties of the pandemic, it was invigorating to join the world in the worship of Christ our King, albeit virtually.

The Experience 2020 (Global Edition) was a night of fervent worship, gratitude and surrender to the invisible yet loving hands of God. The virtual event, streamed live on YouTube, Facebook and other major digital channels surpassed expectations garnering over five million views from almost every continent of the globe.

Warm wishes and goodwill messages from notable Church leaders and global icons poured in from various parts of the world bringing words of hope and faith to all. Pastors Joel and Victoria Osteen of the internationally acclaimed Lakewood Church, in the USA reminded us that 'God is still on the throne, still in control and has us in the palm of His hands'. From Accra, Ghana, Dr Mensa Otabil (Senior Pastor, Christ Temple and Chancellor, Central University College, Accra, Ghana) commended the vision and excellence of the Convener, Pastor Paul Adefarasin (Metropolitan of all House On The

Rock churches), for making God famous through 'The Experience'.

Other greetings and comments came from Mr. Ben Llewellyn-Jones OBE (Deputy British High Commissioner, British High Commission), Archbishop Justin Welby (Primate of All England), CEO Ebony Life, Mo Abudu, Kees Kraayenoord (Pastor and Worship leader, The Netherlands), and many other notable ministers and dignitaries, who graced our screens with their warm wishes of love and appreciation for an astounding event like 'The Experience'.

Reverend Victor Adeyemi (Senior Pastor, Global Harvest Church, Nigeria) proclaimed the goodwill message of peace and grace while Pastor Cindy Jacobs (Co-Founder Generals International Texas, USA) made declarations of healing and restoration, especially on those affected by the pandemic.

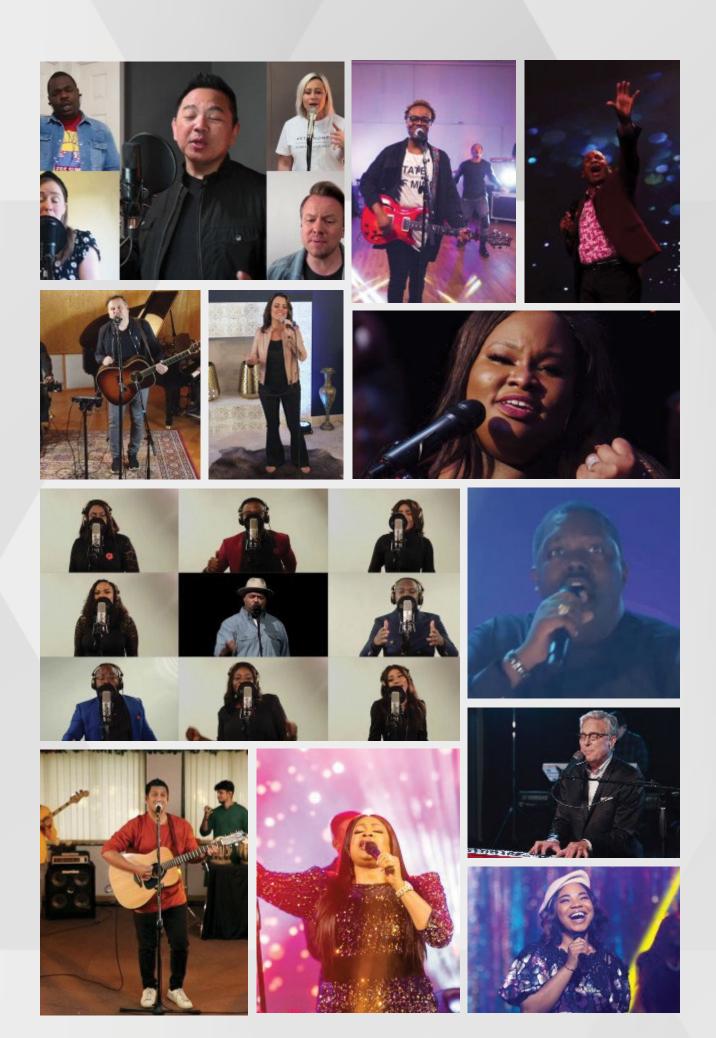

Muyiwa Olarewaju OBE (aka Riversongz) (Presenter of the TV Show - Turning Point and Station Director at Premier Radio in London) took us through his own journey of 'The Experience,' concluding that the event has always been known to make history.'

Award winning author, singer and songwriter, Minister Ana Paula Valadao brought down the heavens with her delightful and melodious rendition of the 'I'll raise a hallelujah' song in Portuguese.

It would be impossible to have 'The Experience (TE15)' without an inspiring and impactful word from the Granddaddy of the house, Bishop Thomas Dexter Jakes (Senior Pastor, The Potters House, Dallas, Texas). He admonished that there was no praise greater and more effective than one erupting from the lips of those faced with adversity.

The LMGC choir was bursting with energetic and vibrant praise that captured the immense gratitude of many, and as they later sang the National Anthem, we were reminded that we were a Nation mightily preserved by God.

Nokwe the poet came up to remind us that in the midst of the devastation, the powerful name of Jesus was still potent enough as a covering over his people from the pandemic. As the Global Choir rendered 'Way Maker,' Sinach's award winning song and anthem for the pandemic, everyone was reminded of the nature of God's unfailing love in how He establishes a pathway of victory for His children in the face

of great calamity. Faith was ignited again that the earth will be replenished and increased.

The uncommon sound of Sheldon Bangera as he lifted the name of Jesus invoked the feeling that the name of Jesus cuts across boundaries.

The night also featured notable ministers like Onos Ariyo, Chevelle Franklin, Ana Paula Valadao, Ada, Mercy Chinwo, Sidney Mohede, William McDowell, Planetshakers, Tasha Cobbs and Sinach.

The proclamation of the other pandemic anthem, 'The Blessing,' at the end of the live stream was the most befitting way to shut down all devices at the end of a soul lifting and wholesome night of worship.

s the year 2021 drew to a close, an unspoken sigh of relief hung in the atmosphere as the nation and indeed the world at large gladly welcomed the gradual return to life as they knew it before the Covid-19 pandemic.

'The Experience' that year was a hybrid edition with ministrations of some of the artistes pre-recorded while others were live performances at the stately Rock Cathedral, Lekki, Lagos. The event was also streamed live on leading streaming and social media platforms.

In the midst of the chaos and uncertainty of the times, it was refreshing to be in an atmosphere charged with God's magnificent presence and power while also ending the year on a note filled with hope for a better year ahead.

As His Royal Priesthood, we joined hearts and faith in fervent prayers for our Nation and declared His peace over our land, livelihood, family and ourselves.

Pastor Paul taught that God's strategy is to take you through difficult times to shape your character and virtues so you can handle the weight of glory and leadership ahead of you. He also admonished not to fret when you are faced with haters because they are God's strategy to get you into your purpose.

One after the other, the artistes – Travis Greene, Chandler Moore, Planetshakers, Kike Mudiaga, Mercy Chinwo, Sinach, Donnie McClurkin, Nathaniel Bassey, Eben, Dunsin Oyekan, Tim Godfrey, William McDowell, Chevelle Franklyn, Ana Paula Valadao, Sheldon Bangera, Sidney Mohede, Don Moen, Nikki Laoye, Chee, Segun Obe, Nokwe The Poet and the Lagos Metropolitan Gospel Choir, ushered us into the Shekinah presence of God.

It was indeed a night of undiluted, fervent worship of Jesus Christ our King and also a night interjected with hearty laughter featuring comedy performances by Forever, Funny Bone, Larry J and Damola.

TE16G was memorable; but this year, The Experience 17 is back at the Tafawa Balewa Square for a night of praise and thanksgiving to Jesus: The Exceptional One.

Technology connects us in ways just a few short years ago we never dreamed possible, but nothing beats experiencing a live concert in person. Are you ready?

Brace yourself because it's going to be an E-X-C-E-P-T-I-O-N-A-L Experience 17!

BOOKS BY GOKE COKER

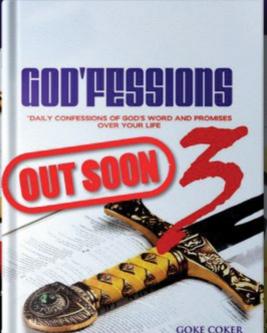

In a world fraught with evil, encroaching darkness, violence, strife and confusion, attacks on families, failing finances, distractions, and emotional instability, the usual reaction of man is that of despondency and negative proclamations. However, in the beginning, God saw the darkness, and he simply spoke the desired result into existence. Since we are made in his image, rather than confessing the problem (darkness), we are to confess the solution (the Word) thereby transforming darkness to light.

Believing and confessing are important parts of our Christian walk. What becomes manifested in our lives depend on our faith and confession. When our lips contradicts the Word of God, then we prevent his work in and through us. But if we get our hearts and lips in line with his Word, he can manifest his grace in us and flow through us.

Having stood before diverse people from around the world, Phil Thompson's sincerity possesses the uncanny ability to reach people just where they are while leading them to the throne of grace.

Though Phil has been singing since childhood, it wasn't until he was 30 years old that he discovered his gifting in writing music.
